ABOUT COLLEGE

Gokula Krishna College of Pharmacy (GKCP) is established in the year 2007 which is sponsored by Sri Krishna Educational Society, Hyderabad. The institution was started with an idea of imparting pharmacy education in rural area, but now it has students from all over state. Though young, GKCP has made a significant impact in various areas of teaching and research, and continues to strive for excellence. The institute was approved by the Pharmacy Council of India (PCI), All India Council of Technical Education (AICTE) and State Govt. of Technical Education, AP. The institute has been offering four year's B.Pharmacy course (100), two year's M. Pharmacy course (Pharmaceutics-18 & Pharmacology-18) which is affiliated to JNTUA, Anantapuramu.

"Our mission is to educate students from all over the state even country including those from the local and rural areas so that they become enlightened individuals improving the living standards of their families, industry and societttty. We will provide individual attention world class quality of education and character building.

ABOUT FDP

Faculty development is essential for renewing and assisting faculty to maintain teaching effectiveness and adapt to innovations in health professions educational institutions. This FDP mainly focuses on the importance of patents, designs and other intellectual property components to the faculty members. This FDP on importance of IPR, process of filing of patents and how to search patent online.

Participants will be elaborated on the various tools and platforms available for searching the patents on online. This will enhance the knowledge and skill of the participants on patents and how to check whether their innovative idea is patentable or not.

OBJECTIVE OF THE PROGRAM:

- To Provide exclusive knowledge on
 - Why should intellectual property be protected
 - How should IPR is protected
 - Patent offices
 - Patent speciation
 - Steps for patent granting system
 - Trade mark application filing up to acceptance
 - Application procedure

OUTCOME OF THE PROGRAM

- Get commercial benefits from their creative efforts or reputation.
- Promote students in the field of research creativity and innovation.
- Enlighten the students to get license for patent in their research work.

ABOUT COLLEGE

Gokula Krishna College of Pharmacy (GKCP) is established in the year 2007 which is sponsored by Sri Krishna Educational Society, Hyderabad. The institution was started with an idea of imparting pharmacy education in rural area, but now it has students from all over state. Though young, GKCP has made a significant impact in various areas of teaching and research, and continues to strive for excellence. The institute was approved by the Pharmacy Council of India (PCI), All India Council of Technical Education (AICTE) and State Govt. of Technical Education, AP. The institute has been offering four year's B.Pharmacy course (100), two year's M. Pharmacy course (Pharmaceutics-18 & Pharmacology-18) which is affiliated to JNTUA, Anantapuramu.

"Our mission is to educate students from all over the state even country including those from the local and rural areas so that they become enlightened individuals improving the living standards of their families, industry and societttty. We will provide individual attention world class quality of education and character building.

ABOUT FDP

The aim of FDP is to bring the faculty fraternity and scientific community into the one umbrella and explore the importance of pharmacy education in academics, research industry and drug control aspects so as to improve the overall healthcare system across the world.

Innovations are the source of human development and improvement of quality of life. Innovation in Pharma is the transformation of the pharmaceutical industry driven by new technology, new business models, or policy decisions that improve therapy and create value for patients and society. This FDP providing huge information about both the innovations in Pharma and health care, from these participants may know about what are all the new innovations are going on in the industry to improve the health of public.

OBJECTIVE OF THE PROGRAM:

The objective of the FDP on "Exploring Innovations In Pharma And Health Care" is to know about trends and innovations in pharmaceutical industry and development of new production methods.

- It is a good plat form to learn how to treat previously incurable diseases
- Participants will learn about m-Health, e-Health, digital health and personalized medicine

OUTCOME OF THE PROGRAM:

- Describe the benefits of mHealth e-health and digital health interventions, for patients living with chronic diseases.

Participants could able to establish new management systems and mesmeric technology in health care.

Objective of the Program

: The objective of the FDP on "**Exploring Innovations In Pharma And Health Care**" is to know about trends and innovations in pharmaceutical industry and development of new production methods.

- It is a good flat form to learn how to treat previously incurable diseases
- Participants will learn about m Health, e-Health, digital health and personalized medicine

Topics Covered

- : 1. The essentials of healthcare innovation and trends in 2024
2. Innovations in pharmaceutical industry
3. Immersive technology and mobile health (mHealth)

ABOUT COLLEGE

Gokula Krishna College of Pharmacy (GKCP) is established in the year 2007 which is sponsored by Sri Krishna Educational Society, Hyderabad. The institution was started with an idea of imparting pharmacy education in rural area, but now it has students from all over state. Though young, GKCP has made a significant impact in various areas of teaching and research, and continues to strive for excellence. The institute was approved by the Pharmacy Council of India (PCI), All India Council of Technical Education (AICTE) and State Govt. of Technical Education, AP. The institute has been offering four year's B.Pharmacy course (100), two year's M. Pharmacy course (Pharmaceutics-18 & Pharmacology-18) which is affiliated to JNTUA, Anantapuramu.

"Our mission is to educate students from all over the state even country including those from the local and rural areas so that they become enlightened individuals improving the living standards of their families, industry and societttty. We will provide individual attention world class quality of education and character building.

ABOUT FDP

The aim of FDP is to bring the faculty fraternity and scientific community into the one umbrella and explore the importance of pharmacy education in academics, research industry and drug control aspects so as to improve the overall healthcare system across the world.

FDP on provide insights into novel and trends in different areas of pharmaceutical sciences. This would enable the faculty to gain technical expertise and thus facilitate keeping students well informed with contemporary development in pharmaceutical research. This FDP will provide a forum to discuss emerging issues and advances in the pharmaceutical field.

OBJECTIVE OF THE PROGRAM:

- The objective of the FDP on "Emerging Innovations And Insights In Pharmaceutical Sciences" is to create knowledge among the faculty members about how the technological innovations in pharmaceuticals enable better treatments and medicine.

OUTCOME OF THE PROGRAM:

- About how all the Pharma industries are experiencing a wave of innovations from new treatment modalities, to smart machines, advanced analytics and digital connectivity followed by the use of Artificial intelligence is accelerating drug discovery.
- To enhance patient safety, efficacy and the challenges facing in pharmaceutical industry.

ABOUT COLLEGE

Gokula Krishna College of Pharmacy (GKCP) is established in the year 2007 which is sponsored by Sri Krishna Educational Society, Hyderabad. The institution was started with an idea of imparting pharmacy education in rural area, but now it has students from all over state. Though young, GKCP has made a significant impact in various areas of teaching and research, and continues to strive for excellence. The institute was approved by the Pharmacy Council of India (PCI), All India Council of Technical Education (AICTE) and State Govt. of Technical Education, AP. The institute has been offering four year's B.Pharmacy course (100), two year's M. Pharmacy course (Pharmaceutics-18 & Pharmacology-18) which is affiliated to JNTUA, Anantapuramu.

"Our mission is to educate students from all over the state even country including those from the local and rural areas so that they become enlightened individuals improving the living standards of their families, industry and societttty. We will provide individual attention world class quality of education and character building.

ABOUT FDP

The goal of this Faculty development program is to facilitate the development of a conducive environment toward holistic, values based education at institution. And the environment will eventually help prepare the next generation of competent students.

This FDP will train the participants to identify human basic aspirations.

To explore harmony within humane being.

To promote a shared vision with humane education for human society and rest of the nature.

OBJECTIVE OF THE PROGRAM:

- To help the participants, seek the need for developing a holistic perspective of life.
- To sensitize the participants about the scope of individual life, family, society and nature/existence, strengthening self, reflection.
- To develop more confidence, learn and act accordingly.

OUTCOME OF THE PROGRAM:

- The program plays best sources to participants to know about universal human values.
- Get exploring themselves, can enlist their desires
- Adapt to harmony in the nature.
- The participants could able to present sustainable solutions to the problems in society and nature.

ANDHRA PRADESH – 524121**

ABOUT COLLEGE

Gokula Krishna College of Pharmacy (GKCP) is established in the year 2007 which is sponsored by Sri Krishna Educational Society, Hyderabad. The institution was started with an idea of imparting pharmacy education in rural area, but now it has students from all over state. Though young, GKCP has made a significant impact in various areas of teaching and research, and continues to strive for excellence. The institute was approved by the Pharmacy Council of India (PCI), All India Council of Technical Education (AICTE) and State Govt. of Technical Education, AP. The institute has been offering four year's B.Pharmacy course (100), two year's M. Pharmacy course (Pharmaceutics-18 & Pharmacology-18) which is affiliated to JNTUA, Anantapuramu.

"Our mission is to educate students from all over the state even country including those from the local and rural areas so that they become enlightened individuals improving the living standards of their families, industry and societttty. We will provide individual attention world class quality of education and character building.

ABOUT MDP

The growth of a student would be complete when the surrounding facilitators both in academic, practical and administration all contribute in the development of the student and make him more successful so not only the teaching, non-teaching staff also has important role to play. The need for comprehensive education is growing more and more and demand for quality education is becoming irrefutable. The partners of education industry not only the teaching faculty but also the supporting staff in both administration and lab purposes is becoming a must and development oriented with it. From our experience we observe that only teaching staff or the faculty alone get some training inputs, but there is a definite lack of training for the non-teaching staff, Administrative Staff and Technicians, this can result in the imbalance in the students growth, so it is recommended that for the best values that the college or Institution can get only when the training is ensured for both teaching and nonteaching staff.

OBJECTIVE OF THE PROGRAM:

The objective of this program is to enhance the administrative abilities of the participants, who are periodically updated so as to enable them to contribute their maximum potential towards the efficient functioning of the institution.

OUTCOME OF THE PROGRAM:

- Develop and implement the strategies for their career goal.
- Maintain institution information safely.
- Keep our reputation clean.
- Enhance critical leadership and management skills.
